EDUCATION

KCC Institute of Technology and Management, Greater Noida

2024 – Present

B.Tech, Computer Science & Engineering (Data Science) — Ongoing

Athenia High School (CBSE)

Class XII: 72% (PCM with Computer Science) | Class X: 80%

PROJECTS

Renewable Energy Harvesting Using Piezoelectric Sensors — Team Aetherion

Nov 2025

Role: Testing & Implementation

- Designed and tested a renewable energy harvesting prototype using piezoelectric sensors that converts mechanical energy from human footsteps into usable electrical energy.
- Collaborated with team on a project themed “Powering the Future, One Step at a Time.”
- Advanced through multiple selection rounds out of 5,000+ registrations to reach the national finals of CODE VEDA 2.0.

AI-Based Dropout Prediction and Counseling System

Role: Development & Research

- Developed an AI-based system to identify students at risk of dropping out, using academic and behavioral indicators.
- Integrated predictive analytics with a counseling recommendation module to support timely intervention and improve student retention.

HACKATHONS & COMPETITIONS

CODE VEDA 2.0 — Geek Room ADGIPS (National Hackathon)

2025

- Reached the offline finale at Thoughtworks, Gurugram, finishing in the Top 14 teams nationally out of 5,000+ registrations.

TechYug 2.0 — Inter-College Technical Fest, KCC Institute of Technology and Management

2026

- Secured the Runner-Up position out of 24 teams in the Inno Showcase category.

Buildathon 1.0 — Coding Club, KCC Institute of Technology and Management

Nov 2025

- Placed in the Top 25 out of 125 participating teams.

LEADERSHIP & EXTRACURRICULAR

- Sports Captain — led the school sports team and represented the school at inter-school sporting events.
- Managed both student- and teacher-side duties for “Euphoria,” an inter-school competition hosted by the school.
- Coordinated the organization of the school farewell event.

SKILLS

Programming: Python, C++

Domain: Data Science, Machine Learning Fundamentals

Other: Team Collaboration, Public Presentation & Pitching, Event Coordination
